

UMAP Program A&B 2018–1 Participating Universities (1st Cycle)

Country/ Territory	Name of University	Language Proficiency Requirements	Programs	Semester period
Japan	Aichi Prefectural University	Basic knowledge of Japanese is required. JLPT N5 minimum	International exchange students generally take Japanese courses specially designed for exchange students (ex. Comprehensive Japanese, Written Japanese Discourse, Project Work, Fieldwork, Vocabulary and Kanji, Japanese Culture and so on). If students have a good proficiency of Japanese and get the permission from the instructors, they can take undergraduate courses with Japanese students.	1 October 2018 to 31 March 2019
	Hiroshima University	Japanese Proficiency Test 2nd Grade or above OR English TOEFL score (iBT above 61, CBT above 173, PBT above 500) or IELTSscore (Academic Module above 5.0)	Program Name: Hiroshima University Study Abroad (HUSA) Program. Teaching Language: English & Japanese Mainly there are four categories: (1) Japanese Language Courses (from elementary to the advanced; there are five levels of Japanese Language courses – Level 1, 2, 3, 4, and 5) (2) Special Courses: Conducted in English and offered for international exchange students (HUSA Program students), (3) Integrated Courses: offered in Japanese with English subsidiary materials, Or, offered in English for regular Japanese students, (4) Other Courses: offered for regular students. Exchange students are eligible to take most of the courses offered for regular students in Japanese. <Language Proficiency>: English OR Japanese is required. If students' Japanese proficiencies (writing, reading, listening and making a presentation) are advanced, and they have permission from a lecturer to join their class, then they are allowed to attend the regular classes. These classes are basically not intended for international students and are conducted in Japanese. For the Details of the Language Proficiency Requirements, please see below.	2 October 2018 to 29 November 2018 30 November 2018 to 13 February 2019
	Kibi International University	Non-native Japanese speakers will need to provide proof of Japanese language ability only if they want to take courses in Japanese. However, Japanese language ability will not be required if your students take courses in English.	Exchange students are expected to be enrolled in the Department of Foreign Studies, which provide medium of instruction both in Japanese and in English.	1 October 2018 to 31 March 2019
	Niigata University	Minimum capability of TOEFL iBT 61 or equivalent score is preferable. If a professor of the student's university assures that the applying student is sufficiently capable to pass this criterion, the student is allowed to apply to Niigata University without taking a TOEFL.	There is no fixed program for exchange students. Exchange students can take all classes of Niigata University except some classes that have limits to the number of students and except other classes that are not open to students from other departments in principle. Most classes of Niigata University are given in the Japanese language. However, there are classes that are given in English. There are also a small number of classes that are given in French, Chinese or Korean. However, students may choose to take a special Japanese Language Program in which they take primarily Japanese Language classes for one semester and in which they are allowed to take other classes than Japanese Language Program classes if permission is given by the Japanese Language Coordinator.	1 October 2018 to 8 February 2019 (Tentative)
	Osaka Institute of Technology	No.1 – JLPT N2 or above No.2 – English: CEFR B2 or above / Japanese: JLPT N2 or above	No. 1 – Coursework Program (for Undergraduate and Graduate) Taking regular courses given in Japanese Language: Japanese, Admission: April and October No. 2 – Research/Internship Program (for Graduate) Conducting research/internship without taking courses – no credits given Language: English or Japanese, Admission: negotiable	14 September 2018 to 1 March 2019 (Tentative)
	Toyo University	The UMAP students are recommended to take the NEST Program unless he/she has passed N1 or N2 of the JLPT.	Overview: http://www.toyo.ac.jp/site/english-ep/overview.html Courses: http://www.toyo.ac.jp/site/english-ep/e-index.html Please note that the program from 2018 fall is still under consideration and contents are subject to change.	21 September 2018 to 29 January 2019
	University of Fukui	Program A: TOEFL PBT/ITP 500, iBT 61 or its equivalent Program B: JLPT N2 or its equivalent	Program A Language: English Admission: April and October Undergraduate students: Take Common Courses (Japanese Language and Japanese Affairs), courses from the School of Global and Community Studies taught in English, and Specialized Courses in the following six fields: 1) Culture and Society; 2) Mechanical and System Engineering; 3) Electrical, Electronics and Computer Engineering; 4) Architecture and Civil Engineering; 5) Materials Science and Biotechnology; and 6) Applied Physics. There is also a year-round "Special Research" course in which students receive research guidance from their supervisors to complete their graduation thesis. However, April admission students can not take "Special Research" as it starts only from October. Graduate students: Receive research instruction in the fields of education or engineering in English. No credit given.	1 October 2018 to 31 March 2019
