

◆ Application Procedure for the Summer Program

<For students who would like to participate in the summer program>

1. Refer to the link below and review the information “For students who would like to participate in summer program” on this website about the program's contents, dates and fees.

<http://umap.org/programs/summer/>

2. Click the “Student Application Form Items” and download the Excel file.
Fill out all the questions and submit it to your coordinator as an attachment in Excel format.

*Coordinators in your university have been requested to collect the student application forms and nominate the students to UMAP IS by 7th June 2017

3. You will be notified of the screening results by Email by 21st June 2017.

* Please make sure that payment for the program is completed by the deadline, 7th July 2017.

*New updates and details will be announced on this website as soon as they become available.
