Being sufficiently proficient in either English or Japanese to carry out everyday tasks and understand class instructions	11 January 2019 to 18 May 2019
	Niigata University	There is no fixed program for exchange students. Exchange students can take all classes of Niigata University except some classes that have limits to the number of students and except other classes that are not open to students from other departments in principle. Most classes of Niigata University are given in the Japanese language. However, there are classes that are given in English. There are also a small number of classes that are given in French, Chinese or Korean. However, students may choose to take a special Japanese Language Program in which they take primarily Japanese Language classes for one semester and in which they are allowed to take other classes than Japanese Language Program classes if permission is given by the Japanese Language Coordinator. https://www.niigata-u.ac.jp/wp-content/uploads/2018/04/eigo_jugyo.pdf http://syllabus.niigata-u.ac.jp/ (syllabus search page of Niigata University)	Minimum capability of TOEFL iBT 61 or equivalent score is preferable. If a professor of the student's university assures that the applying student is sufficiently capable to pass this criterion, the student is allowed to apply to Niigata University without taking a TOEFL. Niigata University welcomes also such students who have passed the Japanese-Language Proficiency Test (JLPT) Level N1. Such students are supposed to take the regular classes given in Japanese, although they are allowed also to take the classes mostly on Japan given primarily for exchange students. However, students should note that some of the regular classes are not open to all students but may be open only to students from certain departments, etc.	8 April 2019 (to be confirmed) to 5 August 2019 (to be confirmed)
