

## Outline of Proposal for UMAP Exchange Online Program 2020

Name of University/ Institution		Shibaura Institute of Technology (SIT)		
<b>General Information</b>	Brief Introduction of the University/Institution	Shibaura Institute of Technology (SIT) has firmly maintained "learning through practice" as the philosophy in education of engineers ever since Tokyo Higher School of Industry and Commerce, the predecessor to SIT, was established in 1927. In response to the recent progress in the globalization of the economy, SIT is providing an up-to-date framework for "learning through practice" including intensive English Language programs, Project Based Learning programs under multicultural environment, along with many Hands-on subjects that has been preserved through SIT's history. SIT now aims to foster scientists and engineers who can contribute to the sustainable growth of the world by exposing our students to culturally diverse environments where they learn to cope with, collaborate with, and have ever-lasting friendships with fellow students from around the world.

	Program Description & syllabus	<p>Regularly, the Course Taking Program is the program actually ask students to coming to campus to take the courses held at SIT.</p> <p>However, due to the effect of COVID-19, to minimize the risk of infection, we have decided to conduct most of the courses in online. And now we are opening this program to our UMAP partner universities as well, so that the students from abroad can also participate in the program without actually taking a risk to come to Japan.</p> <p>The courses are mostly live-streamed and unfortunately the courses will be conducted in Japan Time Zone, but there are more than 50 courses available at SIT, and we allow students to take the courses besides their fields. Some of the courses may require certain background knowledges, but it will be an opportunity to gain new perspectives.</p> <p>Please check the details from the following link, <a href="https://www.shibaura-it.ac.jp/en/study/exchange_programs/sandwich.html">https://www.shibaura-it.ac.jp/en/study/exchange_programs/sandwich.html</a> refer to the article "Course Schedule" to check the available courses at SIT, you can check the syllabus by clicking the "Book" icon located in the lower right corner.</p>
