

Outline of Proposal for UMAP Exchange Online Program 2020

Name of University/ Institution		UNIVERSITY KEBANGSAAN MALAYSIA		
General Information	Brief Introduction of the University/Institution	Universiti Kebangsaan Malaysia (UKM), the National University of Malaysia, has a diverse community and a global network of academic scholars working in partnerships with universities, government and communities worldwide. Our local and global connections provide the platforms for our researchers to conduct ground breaking influential research works that impact the general public. As one of the established research universities in Malaysia, UKM is committed to carry out world changing research works and contribute leading edge inventions which improve the lives of communities globally. With 2146 research academics, UKM is opening its door to partners to collaborate in our core areas such as molecular biology, tissue engineering, stem cells, chemical and process engineering, environment, climate and energy, data science and cyber systems, law and human rights, language and culture, halal studies certification, social anthropology and education 4.0. UKM also aims to provide an outstanding education environment to attract, excite and recognise high quality scholars from diverse backgrounds and equips them to succeed in a competitive global market. Thus, the three campuses are filled with diverse academic and cultural activities across UKM's vast campus grounds of more than 1,000 hectares. Internationalisation engagement has become one of the hallmarks of the university in which global engagement is a two-way street instead of a one way route. The availability of scholars exchange programs, research attachments, internships with industry partners and post-doctoral programs have established the cultured learning and research environment at UKM, where young, bright, resourceful and cultured scholars get together to build a better future.		
	Country/Territory	Malaysia		
	City	Bandar Baru Bangi, Selangor		
	Address	UKM, Bandar Baru Bangi, Selangor, Malaysia		
	Telephone Number	603 8921 4188
