

Why UMAP?

Dr. Min-Ling Yang

UMAP Workshop

19 August 2017

Toyo University, Tokyo, Japan

The Goal of UMAP Community and Regional Integration

- Build a UMAP Community that is people-oriented and student centred.
- Constructive engagement of academia, government, and NGOs.

Creating Space for Higher Education Collaboration in UMAP (1)

- Student mobility
- Courses and programmes development
- Higher education collaboration
- Higher education policy platforms

Creating Space for Higher Education Collaboration in UMAP (2)

- Policy Dialogues: on all relevant higher education issues at policy and operational levels .
- Creating Credit Transfer System and Student Mobility with Scholarship
 - a. Creating tools to support a common platform for online credit transfer.
 - b. Building an effective scholarship scheme for promoting student mobility.
 - c. Creating life changing opportunities for students to become global citizens.

Building a UMAP Scholarship and Student Mobility Scheme to Strengthen UMAP Identity.

Thank you for your attention!
