<b>Proposal by UMAP IS</b>											
(1) Ideally projects with a score of 4.0 or higher from all 3 panel reviewers should be selected, but there were none.											
(2) The closest is Entry #1 which has been rated 4.0 by two members and above 3.0 by the third member.											
(3) UMAP IS proposes the selection of #1, "New Normal Adaptation for International Mobility during the Pandemic" as an awardee of URN 2020.											

### 3. Selection:

Entry No. 1 (New Normal Adaptation for International Mobility during the Pandemic) has been selected for UMAP Research Net 2020
